Where to be: the events we market around

NQL Group · 25 events, November 2026 to December 2027 · chosen 30 October 2026 · dates marked ~ are the usual window, to confirm about three months out

Rhythm
First post 10 to 12 weeks before the event, a reminder at 4 weeks, "last villas" at 10 days. This clientele books peaks early.

Link
Every post ends on the destination's own link, which opens the contact form with Rent chosen and the place filled in: nqlgroup.com/contact?about=rent&place=…

Each post
A picture of the place, not the event. The date, the place, "villas from €7,000 a night", the link. Never the partner's name.
